

Privacy Policy

January 12, 2017

ENERGIUS OÜ - Narva mnt 5, Kesklinna district, Tallinn city, Harju county, 10117, Estonia (hereinafter "Energicus") - takes the protection of your private personal data seriously and protects your personal privacy during processing in accordance with the applicable data-protection regulations.

These regulations regarding data protection inform you, the user, in detail of the nature, scope, and purpose of the collection and use of personal data by Energicus - the responsible provider of these services. This privacy statement is equally applicable to the services in the context of the online platform, for integrated functions in foreign online platforms as well as applications for mobile devices ("Energicus Services").

DATA PROCESSING AND TRANSMISSION

PROCESSING BY ENERGIUS

Energicus will process the personal data of the user only in so far as it is necessary for the establishment, implementation, development, or modification of agreements on the use of Energicus Services or for individual management services. Any processing beyond this will take place only if the user has expressly agreed to this. For example, if you subscribed to the Energicus newsletter, Energicus will process your data in order to send the newsletter.

With the aim of continuous improvement and development of the Energicus Services, Energicus uses analytical tools to obtain information such as the websites visited by the user, the length of stay, through which channels our Services were accessed, the name of the accessed website, downloaded files, the date and time of the access, the browser used, etc.

TRANSMISSION

Energicus will pass personal data to third parties only for the purpose of contract fulfillment or with the consent of the user. In particular, this includes Energicus passing on the user's personal data, to the extent required, to transportation service providers who are to drive the user.

Partners, who provide technical fulfillment of certain Energicus services e.g. newsletter dispatch, may receive certain data within data processing arrangements. In such instance, the data transmitted will be restricted to the minimum necessary.

Personal data will be disclosed to state institutions and authorities only if required by law.

DATA SECURITY

PRINCIPLE

Energus constantly strives to use all appropriate technical and organizational measures to process personal data in such a way that they are safe and, above all, cannot be accessed by unauthorized persons. In this respect, Energus expressly points out that when communicating by email, complete data security cannot be ensured. Therefore, Energus recommends using the postal service for the sending of confidential information.

MEASURES

To best protect the user's data against accidental or intentional manipulation, loss, destruction, or access by unauthorized persons, Energus uses appropriate technical and organizational security measures that are continuously optimized in accordance with technical developments.

COOKIE POLICY

At Energus, we want to ensure that your visit to our websites is smooth, reliable and efficient. To help us do this, we use cookies. You can find out more below about what cookies are, the cookies we use and how to switch off cookies.

You can indicate your acceptance of our use of cookies in accordance with this policy by clicking "OK" in the appropriate place on the notification banners that appear on our sites. However, please note that if you do not click "OK" but you continue to browse the site you will be deemed to have accepted our use of cookies in accordance with this policy.

WHAT ARE COOKIES?

Cookies are small text files that are automatically placed on your computer or mobile device when you access a website. The text file is then sent back to our server each time your browser requests a page from the server. This enables us to operate the sites more effectively and load the sites in such a way as to reflect your personal preferences, based on your previous browsing on our websites.

WHAT COOKIES DO WE USE?

When using Energus, details of the session are automatically stored, and this includes the websites visited, the length of stay, through which channels our Services were accessed, the name of the accessed website, the file, the date and time of the access, the downloaded files, the notice of a successful request, the Browser used as well as the version, the operating system of the user, the URL that referred the user to our Services, IP address, and the requesting provider. These data are used, in particular, to analyze, store, and evaluate user behavior and to continuously improve and develop the service.

Energus uses Google Analytics, Google AdWords / Google Conversion Tracking, Google Remarketing Technology as well as the Google Tag Manager, which are all web analytics services provided by Google Inc. (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; hereinafter referred to as "Google").

These analytics services transmit IP addresses and use cookies to help analyze your use of our websites and online services. The cookies have a limited validity (e.g., 30 days at Google Conversion Tracking), and the information generated by the cookie about your use of the websites and online services will be transferred and stored on a Google server in the USA.

THIRD PARTY COOKIES

It is understood that the provider of additional content (hereinafter referred to as "Third Party") can use the IP address of the user. Without the IP address, it would not be possible for them to send the content to the Browser of each user. The IP address is required for the correct representation of such content. We try to use only such content, when the respective providers use the IP address solely to deliver content. However, we have no control over the Third Party potentially saving the IP address, e.g., for statistical purposes. If we become aware of this, we will notify the user about it.

Energus uses plug-ins from the social network Facebook, which is operated by Facebook Inc., 1601 S. California Ave., Palo Alto, CA, 94304, USA. For information on Facebook's privacy policy, please visit: <https://www.facebook.com/about/privacy/>.

HOW DO I TURN COOKIES OFF?

If you do not wish us to install cookies or you don't agree with how we use these cookies in any way, you can change the settings on your internet browser to reject cookies. For more information please consult the "Help" section of your browser or visit www.aboutcookies.org or www.allaboutcookies.org. Please note that if you do set your browser to reject cookies, you may not be able to take full advantage of our websites.

CREDIT CARD DATA

All bookings at Energus can be paid for by credit card. The credit card information is stored during the first booking and is protected from unauthorized access. Energus does not save the information. A certified payment provider with systems which meet the applicable safety standards, such as the PCIDSS standard (Payment Card Industry Data Security Standard), is used for this.

CONTACT, DELETION, INFORMATION, AND CORRECTION

Upon request, the user will receive information about the data stored about them free of charge. Furthermore, the user has, if applicable, the right to delete their personal data, or, if incorrect, to correct it. Personal data which is necessary to save due to mandatory statutory provisions will be blocked.

Any consent given is revocable at any time with effect for the future. Email newsletters may also be unsubscribed from via a respective link provided in the email.
